Carbon Black
Metallic Paint*

E & EO October 2026 | C2 MY 26B . Images shown for illustration purposes only. Please discuss colours available with your local Opel Dealer. *Metallic paint optional at extra cost. Standard paint at no optional extra cost. Due to the limitations of the printing process, the colours reproduced may vary slightly from the actual paint colour and trim material. As a result, they should be used as a guide only. Your Opel dealer has a comprehensive display of paint finishes.

WHEELS & TYRES:

SC

- 16″ Black Steel Wheel
- 215/ 60 R 16 Tyres
- Emergency Tyre Inflation Kit (In lieu of spare wheel)

ELEGANCE & GS

- 17″ diamond cut Groot Alloy Wheel
- 215/ 60 R 17 Tyres
- Emergency Tyre Inflation Kit (In lieu of spare wheel)

 Images shown for illustrative purposes only. Talk to your local service manager about a spare wheel aftermarket soloution.

09. POWERTRAINS: PERFORMANCE, FUEL ECONOMY & EMISSONS

ELECTRIC POWERTRAIN

Single-Speed Electronic Drive Selector

As the motor is an all-electric single-speed drive unit, there is no need for multiple gears.
Instead, the shifter lets the driver select from the following:

- Park
- Reverse
- Neutral
- Drive
- Braking (for increased regenerative braking)

Charging

The Frontera Electric's charging flap's Padlock LED lights up when the cable is correctly plugged in and locked and then acts as a user interface to show the charging status via coloured LED lights:

- **White:** welcome light that helps to light up the area, especially useful in dark conditions
- **Flashing green:** charging in progress
- **Solid green:** charging complete
- **Solid blue**: delayed charging toggled; changes to flashing green when charging commences
- **Solid red:** malfunction

The driver may also choose from two settings:

- **Immediate charging** (the standard setting): Starts charging as soon as the vehicle is docked for charging;
- **Delayed charging**: This is especially useful for when cheaper electric rates are desired, e.g. charging at night. Simply enter a charging start time.

NEW OPEL FRONTERA

DRIVETRAIN- ELECTRIC	44Wh	54kWh
C02 EMISSIONS	0g/km
